## Report for the Year 2018-19

### CAPABILITY ENHANCEMENT AND DEVELOPMENT SCHEMES

### Language and Communication Training

**Preamble:** The College has established a state-of-the-art Language Laboratory equipped with advanced audio-visual aids to enhance English language skills for both graduate and post-graduate students across various disciplines. This modern facility is designed to support students in improving their language proficiency through interactive and engaging methods.

The lab utilizes Globarena, a flexible and user-friendly software accessible to both students and teachers. Globarena provides a range of features, including reading comprehension, phonetics, and vocabulary development, making it an effective tool for language learning and teaching.

#### Objectives:

- To impart English language communication skills through computer-assisted language learning.
- To develop a competitive nature among students through debates, group discussions, and similar activities.
- To enrich students' reading, writing, and listening skills in the English language.
- To organize various events aimed at developing students' communication skills.

#### Report of the Activity:

**Dr. Anand Meti, Assistant Professor in department of English Training the Students for Computer Assisted Language Learning**

Karnataka People's Education Society's

**DR AMBEDKAR COLLEGE OF ARTS, COMMERCE  
AND PG CENTRE, KALABURAGI**

(Affiliated to Gulbarga University, Kalaburagi)

The Department of English initiated a training program for undergraduate and graduate students focused on English Language Communication Development on August 1, 2018, for the academic year 2018-19. The program, conducted through the English Language Lab, was launched at 11:30 a.m. by Dr. Anand Meti, Assistant Professor of English and the department head. Dr. Meti encouraged the students to master the English language and shared some simple learning strategies. He also emphasized that English is a universal language and is crucial for their future professional development, regardless of their chosen fields of study. The students got trained for the:

**1. Communications Skills**

**2. Listening Skills**

**3. Vocabulary**

**4. Phonetics**

Total 110 students of BA, B Com and MA, M Com were trained for the various modules of English language communication development in 5 batches as follows:

Sr No.	Batch	Duration
1	Batch 1 : 20 Students of B A	1 August 2018 to 19 August, 2018
2	Batch 2 : 25 Students of B Com	1 Sept. 2018 to 20 September, 2018
3	Batch 3 : 25 Students of B Com	1 October 2018 to 20 October 2018
4	Batch 4 : 20 Students of M Com	1 January 2019 to 20 January 2019
5	Batch 5 : 20 Students of MA	1 February 2019 to 20 February 2019

At the end of the training, students expressed their happiness with the computer-assisted language learning provided by the English Language Lab.

**Outcome of the Activity:**

1. English language communication skills are taught to students through computer-assisted language learning.
2. The competitive nature of students is enhanced through debates, group discussions, and similar activities.
3. Students improve their English reading, writing, and listening skills.
4. Participants develop public speaking skills and gain confidence on stage.
5. Students enhance their grammatical knowledge and understanding of the English language.

Prof. Vijaykumar D, encouraged and trained the students to master the English language and shared some simple learning strategies. He also emphasized that English is a universal language and is crucial for their future professional development, regardless of their chosen fields of study. The students got trained for the:

### 1. Communications Skills

### 2. Listening Skills

### 3. Vocabulary

### 4. Phonetics

Total 120 students of BA, B Com and MA, M Com were trained for the various modules of English language communication development in 5 batches as follows:

Sr No.	Batch	Duration
1	Batch 1 : 25 Students of B A	15 September 2022 to 30 September 2022
2	Batch 2 : 35 Students of B Com	8 October 2022 to 22 October 2022
3	Batch 3 : 35 Students of B Com	12 January 2023 to 25 January 2023
4	Batch 4 : 25 Students of M Com	2 February 2023 to 18 February 2023

At the end of the training, students expressed their happiness with the computer-assisted language learning provided by the English Language Lab.

### Outcome of the Activity:

1. English language communication skills are taught to students through computer-assisted language learning.
2. The competitive nature of students is enhanced through debates, group discussions, and similar activities.
3. Students improve their English reading, writing, and listening skills.
4. Participants develop public speaking skills and gain confidence on stage.
5. Students enhance their grammatical knowledge and understanding of the English language.
