Activity Report:

On July 18, 2018, the Training and Placement Office organized a Soft Skills Development Programme on Accountability in Classroom No. 5. The session was led by Prof. Anjum, who provided valuable insights and practical strategies for enhancing accountability in both personal and professional settings. A total of 29 students participated actively, engaging in interactive discussions and activities designed to foster a deeper understanding of accountability. The programme aimed to equip students with the necessary skills to take responsibility for their actions and decisions, ultimately contributing to their overall personal development and career readiness. The event was coordinated and the report was generated by the Training and Placement Office.

Activity Report:

On February 15, 2020, the Training and Placement Office organized a Soft Skills Development Programme in Classroom No. 5, focusing on the essential skills of hard work and smart work. Shri. Premsingh Rathod expertly led the session, providing valuable insights and practical strategies to enhance productivity and efficiency in both personal and professional contexts. The engaging program saw active participation from 58 students, who engaged in interactive discussions and activities designed to deepen their understanding of the importance of hard work and smart work. The program aimed to empower students with the necessary competencies to take ownership of their decisions and actions, thereby fostering personal growth and career readiness. The event was expertly coordinated by the Training and Placement Office, culminating in the creation of this comprehensive report.

Activity Report:

On March 3, 2021, the Training and Placement Office organized a Soft Skills Development Programme in Classroom No. 5, focusing on the essential skill of career planning. Dr. Prakash M Badiger expertly led the session, providing valuable insights and practical strategies for effective career development, goal setting, and strategic planning in both personal and professional contexts. The engaging program saw active participation from 51 students, who engaged in interactive discussions and activities designed to deepen their understanding of career planning principles. The program aimed to empower students with the necessary competencies to take ownership of their decisions and actions, thereby promoting personal growth and career readiness. The event was expertly coordinated by the Training and Placement Office, resulting in the creation of this comprehensive report.

Activity Report:

On January 12, 2022, the Training and Placement Office hosted a Soft Skills Development Programme in Classroom No. 5, focusing on the essential skill of etiquette. Under the expert guidance of Mrs. Shankremma Harsurkar, the session delivered valuable insights and practical strategies to enhance social graces, professional manners, and cultural awareness in both personal and professional contexts. The engaging program saw active participation from a cohort of 29 students, who engaged in interactive discussions and tailored activities designed to deepen their understanding of etiquette principles. The program aimed to empower students with the necessary competencies to take ownership of their decisions and actions, thereby promoting personal growth and career readiness. The Training and Placement Office's meticulous coordination ensured the successful execution of the event, culminating in the creation of this comprehensive report.

Activity Report:

On September 9, 2022, the Training and Placement Office hosted a Soft Skills Development Programme in Classroom No. 4, focusing on the essential skill of optimism. Under the expert guidance of Smt. Sukanya Patil, the session delivered valuable insights and practical strategies to enhance positive thinking, resilience, and mental well-being in both personal and professional contexts. The engaging program saw active participation from a cohort of 35 students, who engaged in interactive discussions and tailored activities designed to deepen their understanding of optimism principles. The program aimed to empower students with the necessary competencies to take ownership of their decisions and actions, thereby promoting personal growth and career readiness. The Training and Placement Office's meticulous coordination ensured the successful execution of the event, culminating in the creation of this comprehensive report.

Activity Report:

On April 9, 2023, the Training and Placement Office hosted a Soft Skills Development Programme in Classroom No. 6, focusing on the essential skill of cross-cultural communication. Under the expert guidance of Sri. Vivek, the session delivered valuable insights and practical strategies to enhance intercultural understanding, effective communication, and global competence in both personal and professional contexts. The engaging program saw active participation from a cohort of 30 students, who engaged in interactive discussions and tailored activities designed to deepen their understanding of cross-cultural communication principles. The program aimed to empower students with the necessary competencies to navigate diverse cultural environments, take ownership of their decisions and actions, and promote personal growth and career readiness. The Training and Placement Office's meticulous coordination ensured the successful execution of the event, culminating in the creation of this comprehensive report.
