Report on ICT Training for the Academic Year 2018-19

Preamble : The college has introduced the Information Communication Technology (ICT) Training Programme. This initiative aims to impart essential ICT and computing skills to both graduate and postgraduate students across various disciplines. The well-equipped computer laboratory facilitates training on the fundamentals of computers, word processing software, spreadsheet software and its applications, as well as Microsoft PowerPoint presentations. This programme is designed to enhance students' technical proficiency and prepare them for the demands of the modern digital world.

Objectives:

- 1. To impart the Basic Computing skills through ICT Training
- 2. To use and differentiate between basic concepts of computer hardware and software.
- 3. To apply the knowledge of ms office tools such MS word, MS PowerPoint and MS Excel
- 4. To apply the knowledge of Internet
- 5. To demonstrate the knowledge of ICT skills in today life

Report of the Activity:

The College has started ICT Training programme for students from 25-12-2018 to 15-1-2019 for the academic year 2018-19. In this training 67 students are participated. After completing this training students are familiar to use computer and application software likes MS-Word, MS-Excel, MS-PowerPoint. They also expose to the use of Internet. They are capable to understand E-Mail application like sending, attaching file etc. This training is helpful for their future placement.
