Provide students with clear guidelines and schedules for participating in extracurricular activities during college events. Ensure that adequate resources and support are available for organizing and managing these activities. Additionally, collaborate with local organizations or businesses to sponsor events and enhance the overall experience.

## **2. Organizing Inter-College Sports Competitions.**

Establish a dedicated committee or team responsible for planning and executing inter-college sports competitions. Allocate funds for necessary infrastructure, equipment, and logistics. Forge partnerships with neighboring colleges or universities to facilitate seamless coordination and participation. Consider offering incentives or scholarships to encourage student athletes and promote sportsmanship.

## **3. Promoting Outdoor Games.**

Integrate outdoor games into the college curriculum and extracurricular programs. Develop facilities and designated areas for outdoor sports activities such as football fields, basketball courts, and running tracks. Collaborate with local sports clubs or municipal authorities to access additional resources and expertise. Organize community outreach programs to involve nearby villages or disadvantaged areas, fostering inclusivity and social cohesion.
