

## **: Political Science Department Profile :**

### **Department Profile:**

The department of Political science is dedicated to understanding and explaining the various meanings and practices of politics. The department prepares students not only to be active citizens of the country but also helps them develop an analytical thinking so that they can critically engage with the issues concerning the state and its policies. The focus of the B A MA in Political science is to provide a understanding of political institution, political processes, political behaviour, public policy, comparative politics, international relations and political theory and political thought.

Political science is the study of politics and power from domestic, International, and comparative perspectives. It entails understanding political ideas, ideologies, institutions, policies process, and behaviour, as well as groups classes, government, diplomacy law, strategy, and war. A background in political sciences is valuable for citizenship and political action, as well as for future careers in government law, business, media or public services.

The Political Science students have plenty of opportunities in different fields. They join Teaching, Law, News agencies of Press, Report generation departments of electronic Media, Newspaper agencies for analytical writing, Political Analyst, Research, Election Campaign Management, Political Consultancy, Political Leaders, Political Advisors, N.G.Os, Civil Services both UPSC, and KPSCs and other all competitive exams.

The Department of Political Science was Established in 1982, with the establishment of the college late Smt. Neelamma Sajjan was the first Lecturer of the department. Later, in 1988 Dr. I S Vidyasagar was appointed as a Permanent Lecturer at the department. At present, the department is headed by Dr. Harshavardhan, supported by additional faculty members, including Sri. Anilkumar and Sri Pandit.

### **Objectives:**

- Understand the basic ideas of our constitution
- To develop leadership qualities among students
- To increase students' calibre
- To create awareness of human rights
- To increase knowledge of diverse political systems around the world, including empirical area-based knowledge; Broader theoretical understanding of different political system institutions and process; and the changing domestic and global contexts.
- Motivate to the students to appear for competitive examination.
- To create political consciousness and scientific ideas about the union, state and local government.
- To know the International Politics.
- To know the public and Indian administration.
- To empower the people specially women of this region to be capable citizen.
- Motivation of students towards value of vote.
